

## Mississippi Veterinary Technician/Technologist Certification Application Procedure:

1. Complete application
2. Submit VTNE score from AAVSB
3. Copy of diploma or official transcript from college/school
4. The Regular Fee of One Hundred Dollars (\$100.00)
5. Letters of good standing from every jurisdiction in which applicant has ever held credentials
6. Passport quality and size photograph (taken within the past 6 months)
7. Three (3) letters of recommendation

The application may be completed in paper form or through the online licensure portal.

Once the application is completed applicants will be sent a link to take the state board exam through AAVSB's SPA program. There is an additional \$50.00 charge that applicants will pay directly to AAVSB.

When the applicant has completed the application process and passed the state board exam their certificate will be issued.

Certificates will expire on August 31 of the year following initial licensure.

Any applicant who does not pass the state board exam must wait 60 days to retake the exam and will have to pay the \$50.00 testing fee to AAVSB for each attempt.
